**Claim Objections**

Claim 29 has been amended to include the phrase "by the polynucleotide" after "expressed" on line 6.

Claim 31 has been amended to include a comma after "claim 30".

Claim 36 has been amended to include a comma after "claim 34".

Claim 37 has been amended to include a comma after "claim 36".

Claim 39 has been amended to include a comma after "claim 37".

Claim 40 has been amended to include a comma after "claim 36".

Claim 75 has been amended to include a comma after "claim 72".

Claim 76 has been amended to include a comma after "claim 72".

In view of the foregoing, Applicants submit that all pending claims are in condition for allowance and request that all claims be allowed. The Examiner is invited to contact the undersigned should she believe that this would expedite prosecution of this application. It is believed that no fee is required.

The Commissioner is authorized to charge any deficiency or credit any overpayment to  
Deposit Account No. 13-2165.

Respectfully submitted,
